# THE PRAYER DIRECTIVE

The Directive that Supports a Fervent Effectual Prayer

**"WHEN I SEE THE BLOOD, I  
WILL PASS OVER YOU. NO  
DESTRUCTIVE PLAGUE  
WILL TOUCH YOU WHEN I  
STRIKE EGYPT"**

EXODUS 12:13

## THE BLOOD IS OUR DEFENSE

Whilst reading the story of the Exodus I came to realise that the Blood of Jesus is our defence. What was significant that during the Passover in Egypt the Israelites KNEW & BELIEVED that the blood of this lamb would be their defence. Today we have the Blood of the Lamb, Jesus. We have received and learned from our predecessors to plead the blood of Jesus - we do this when we pray about someone being tormented by demonic spirits or against a prince / principality who wants to attack & undermine us.

We are under siege & attack and this is the time we need to plead the Blood of the Jesus.

In the natural we buy & wear masks / shields as precautionary items against this virus (nothing wrong with this) – however we believe it brings protection against the virus. If we can pick up & raise our faith on this that we shall overcome any attack or fight “by the blood of the Lamb,” (Rev. 12:11). The Blood of the Lamb (Jesus) will be our DEFENSE.

Remember you have such a powerful weapon and that is THE BLOOD OF THE LAMB (JESUS)
